Feeding Directions

Feed Formax 24/7 S11911 free choice at all times. Do not offer other minerals or salt when feeding this mineral. Consumption will vary depending upon the availability and quality of your roughage supply. With these fluctuations taken into account, an adult animal should average 4 ounces per head daily. Provide clean water to all animals at all times.

WARNING: *Formax 24/7 S11911, which contains added copper, should not be fed to sheep or any species with a low tolerance to supplemental copper.*

CAUTION: *Follow label directions. Consumption of Selenium should not exceed 3 mg per head per day. Feeding 4. oz. of Formax 24/7 S11911 will provide 3mg Selenium per head daily.*

This product was manufactured in a facility that does not handle or store products containing animal proteins prohibited in ruminant feed as described in 21 CFR section 589.2000.
