

Triple Crown Complete Formula

A beet pulp-based, complete, textured feed for mature performance horses

Horses naturally eat fiber. But for years, grains (corn, barley and oats) have been the standard for horse feed, even though research proves that the high-soluble carbohydrates in grain-based feeds increase the potential for colic, laminitis, hyperactivity, ulcers and cribbing. With its beet pulp-based fiber content, Triple Crown Complete provides 12% protein, 12% fat and all the calories, vitamins and minerals of a grain-based feed, but with half of the potentially harmful soluble carbohydrates. It has the versatility to be fed in any hay or pasture situation—when hay and pasture are plentiful or to help when they are lacking. *Available in 50 lb. bags.*

Guaranteed Analysis

Crude Protein (min.)	12.00%
Lysine (min.)	0.60%
Methionine (min.)	0.20%
Threonine (min.)	0.40%
Crude Fat (min.)	12.00%
Crude Fiber (max.)	15.00%
Calcium (min.)	0.75%
Calcium (max.)	1.25%
Phosphorus (min.)	0.45%
Magnesium (min.)	0.40%
Iron (min.)	250 ppm
Potassium (min.)	0.90%
Selenium (min.)	0.50 ppm
Zinc (min.)	160 ppm
Manganese (min.)	100 ppm
Copper (min.)	50 ppm
Vitamin A (min.)	5,500 IU/lb.
Vitamin D (min.)	750 IU/lb.
Vitamin E (min.)	150 IU/lb.
Ascorbic Acid (min.)	40 mg/lb.
Biotin (min.)	0.25 mg/lb.
Lactobacillus Acidophilus Fermentation Product (min.)	636 million CFU/lb.
Saccharomyces Cerevisiae Yeast Culture (min.)	1,271 million CFU/lb.
Cellulase (Trichoderma Longibrachiatum Fermentation Extract) (min.)	125 CMC-ase Units/lb.
Protease (Bacillus Subtilis Fermentation Extract) (min.)	0.4 Northrup Units/lb.

Ingredients

Shredded Beet Pulp, Cane Molasses, Whole Oats, Soybean Oil, Dehulled Soybean Meal, Wheat Middlings, Alfalfa Meal, Soybean Hulls, Distillers Dried Grains, Ground Limestone, Monocalcium Phosphate, Dicalcium Phosphate, Defluorinated Phosphate, Salt, Magnesium Oxide, Yeast Culture, Hydrolyzed Yeast, Hydrated Sodium Calcium Aluminosilicate, Dried Lactobacillus Acidophilus Fermentation Product, Dried Enterococcus Faecium Fermentation Product, Anise Seed, Fenugreek Seed, Dried Trichoderma Longibrachiatum Fermentation Extract, Dried Bacillus Subtilis Fermentation Extract, Zinc Proteinates, Manganese Proteinates, Kelp Meal, Copper Proteinates, Lecithin, Iron Proteinates, Magnesium Proteinates, Selenium Yeast, Stabilized Rice Bran, Calcium Carbonate, Vitamin E Supplement, Flaxseed, Ascorbic Acid (source of Vitamin C), Niacin Supplement, Biotin, Vitamin A Supplement, Thiamine Mononitrate, Beta Carotene, Calcium Pantothenate, Riboflavin Supplement, Pyridoxine Hydrochloride, Vitamin B₁₂ Supplement, Vitamin D₃ Supplement, Choline Chloride, Menadione Sodium Bisulfite Complex (source of Vitamin K activity), Folic Acid, Sodium Bicarbonate, Sodium Sesquicarbonate, Ferrous Sulfate, Zinc Sulfate, Manganese Sulfate, Copper Sulfate, Cobalt Sulfate, Ethylenediamine Dihydroiodide, Brewers Dried Yeast, L-Lysine, Monosodium Phosphate, Lignin Sulfonate, DL-methionine, DL-methionine Hydroxy Analog, (Propionic Acid, Sodium Benzoate, Potassium Sorbate (Preservatives)). Free from Restricted Ruminant Protein Products per Title 21, CFR 589.2000.

Feeding Directions

Triple Crown Complete is designed for mature horses. If feeding as a grain concentrate with hay, feed a minimum of 5-15 lb. per day for desired body condition. If replacing all hay in the diet, feed 1-1.5% of body weight daily. Triple Crown Complete can be soaked with warm water for older horses with poor teeth, horses with respiratory problems, or for horses prone to choking.

NOTE: Provide plenty of fresh, clean water at all times. Keep product fresh in cool, dry storage. Examine product daily. DO NOT use if old, moldy or contaminated with insects.
