

Triple Crown Growth Formula

A textured feed for horses, specifically designed for weanlings, yearlings and broodmares

Triple Crown Growth is fortified to provide protein, essential amino acids, vitamins, macro minerals, trace minerals, bacteria and enzymes, utilizing the latest research regarding nutritional support for sound growth in horses. A diet low in soluble carbohydrates and high in fat and fiber has been shown to support fast and sound growth in a superior manner compared to traditional grain-based diets that are high in soluble carbohydrates. *Available in 50 lb. bags.*

Ingredients

Alfalfa Meal, Wheat Middlings, Soybean Hulls, Shredded Beet Pulp, Cane Molasses, Dehulled Soybean Meal, Soybean Oil, Distillers Dried Grains, Whole Oats, Heat Processed Soybeans, Salt, Ground Limestone, Monocalcium Phosphate, Dicalcium Phosphate, Defluorinated Phosphate, Stabilized Rice Bran, Calcium Carbonate, Vitamin E Supplement, Flaxseed, Yeast Culture, Hydrolyzed Yeast, Hydrated Sodium Calcium Aluminosilicate, Dried Lactobacillus Acidophilus Fermentation Product, Dried Enterococcus Faecium Fermentation Product, Anise Seed, Fenugreek Seed, Dried Trichoderma Longibrachiatum Fermentation Extract, Dried Bacillus Subtilis Fermentation Extract, Zinc Proteinate, Manganese Proteinate, Kelp Meal, Copper Proteinate, Lecithin, Magnesium Oxide, Iron Proteinate, Magnesium Proteinate, Selenium Yeast, Ascorbic Acid (source of Vitamin C), Niacin Supplement, Biotin, Vitamin A Supplement, Thiamine Mononitrate, Beta Carotene, Calcium Pantothenate, Riboflavin Supplement, Pyridoxine Hydrochloride, Vitamin B₁₂ Supplement, Vitamin D₃ Supplement, Choline Chloride, Menadione Sodium Bisulfite Complex (source of Vitamin K activity), Folic Acid, Sodium Bicarbonate, Sodium Sesquicarbonate, L-Lysine, Ferrous Sulfate, Zinc Sulfate, Manganese Sulfate, Copper Sulfate, Cobalt Sulfate, Ethylenediamine Dihydroiodide, Brewers Dried Yeast, DL-methionine, DL-methionine Hydroxy Analog, (Propionic Acid, Sodium Benzoate, Potassium Sorbate (Preservatives)). Free from Restricted Ruminant Protein Products per Title 21, CFR 589.2000.

Feeding Directions

Triple Crown Growth should be fed to growing horses, along with free access to good quality pasture and/or hay, fresh clean water and plenty of free exercise.

FOR NURSING FOALS: Feed 1% of body weight up to 400 lb.

FOR WEANLINGS AND OLDER: The amount fed daily should be adjusted to maintain moderate body condition. If not sure how much to feed, begin with 6-8 lb. per day, divided into as many feedings as feasible, and then adjust up or down depending upon the needs of the individual horse. If feeding less than 5 lb. on a regular basis due to easy maintenance of desired body condition, then feed .5 to 1 lb. per day of Triple Crown 30% Supplement in combination with Triple Crown Growth to insure adequate mineral and vitamin intake to support sound growth. For ponies, feed half of the recommendations listed above.

NOTE: Provide plenty of fresh, clean water at all times. Keep product fresh in cool, dry storage. Examine product daily. DO NOT use if old, moldy or contaminated with insects.
