

## Mineralizer info for Stimulyx Tubs

This block is designed to provide minerals, vitamins, and additional protein during times of the year when cattle are grazing and are not being offered other Stimulyx Supplement Tubs. Minerals and vitamins play a key role in growth and performance of your cattle. Stimulyx Mineralizer Tubs provide minerals and vitamins along with supplemental protein in a palatable form that cattle will readily consume. Always provide free choice salt when feeding this product. Consumption should average between 4 and 8 ounces per head per day.

### GUARANTEED ANALYSIS
